Dear Weedsport Business,

Weedsport Little League is asking community businesses to support our program. Your generous contribution will allow us to continue to operate our Little League.

Weedsport Little League is part of Northern Cayuga Little League (NCLL) which is a baseball and softball league for boys and girls, ages 5 to 14. It is made up of teams from the communities of Jordan-Elbridge, Port Byron (includes Throop and Montezuma), Skaneateles and Weedsport. In addition for the 2010 season, NCLL has teamed up with Cato Little League and Southern Cayuga Little League to provide a more diverse schedule of games to be played.

Weedsport Little League, its Volunteers, and your support, allow approximately 175 children of the Weedsport Central School District the opportunity to participate in a baseball and softball program.

As a supporter of Weedsport Little League for 2010, your donation will aid in sponsoring a team or the purchasing of required items needed to operate our program (i.e. insurance, equipment, trophies, etc...)

If you are interested in supporting Weedsport Little League, kindly fill out the sponsor form on the back side of this letter and mail it back at your earliest convenience, no later than February 28th. In addition, please email your logo to kpowers@visualtec.com.

If you have any questions, feel free to contact me at 834-8719 or mbowden@adt.com.

Thank you for supporting Weedsport Little League.

Regards,

Mike Bowden
